Step6

Indicate the name of the entry you want to publish (concept)

Concept:

Step7

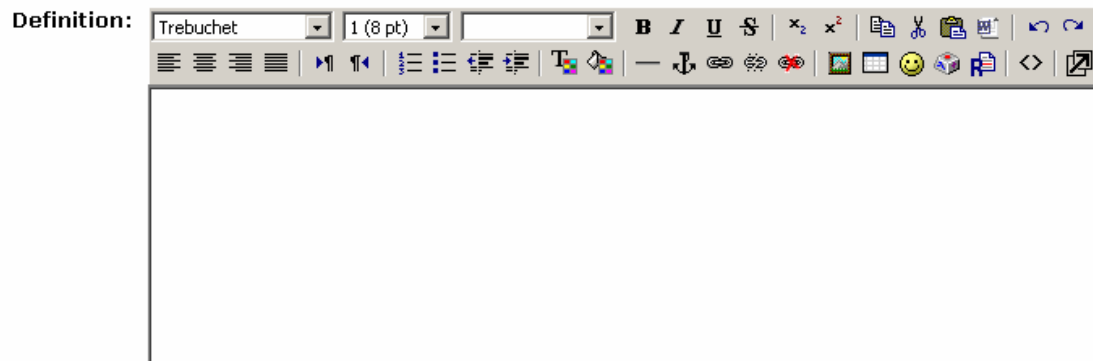

Insert some keywords (for further search) and select "This entry should be automatically linked". Leave the other options blank.

Keyword(s):

- This entry should be automatically linked 
- This entry is case sensitive 
- Match whole words only 

Step8

Insert (paste) the text you want to publish in the "definition" area.

Step9

If you're interested in attaching a file, choose the optional attachment area (click on "procurar" (search)).

Step10

Click on the "Save changes" button

And you're done... try it a few times until you no longer need this manual.

You can use these instructions to include all sorts of files.
